FIVE BIDS FOR R. C. RESERVOIR BEING STUDIED

Councilmen To Award Job Next Monday; Other Business

Eighteen bids ranging in cost from $18,856 to $31,964 for building the concrete reservoir in the western foothills were opened by the council Monday night and all but five were rejected.

The five were ordered rechecked by City Manager Ernest Rolison and City Engineer C. L. Dimmitt, and the council will meet in special session next Monday night to award the contract. The five lowest bidders were:

Neves & Harp, Santa Clara $18,856.64
J. A. Graham, Bakersfield 19,277.53
W. O. Tyson, Redwood City 20,167.87
Carl N. Swenson, San Jose 20,635.25
Lee J. Immel, San Jose.. 20,904.40

Councilman Charles G. Lambert warned his colleagues that it was time to consider the unemployment situation for next winter. He suggested the possibility that a community chest might be formed, with all organizations, such as the Red Cross, Boy Scouts, Girl Scouts, Young Men's Christian Association and others, combining their efforts in one concentrated fund campaign.

It was also suggested that the citizens who were able to pay should be contacted for regular monthly subscriptions to the unemployment fund, such as is done in San Mateo.

Mayor William J. Dusel named Councilman Lambert as chairman of a committee to study the question and to report to the council next Monday. Councilman Lambert selected Carl Stoner and W. O. Tyson from the audience as two of his assistants, and both accepted.

Another demand was made by the Southern Pacific Company for deed to the small parcel of land at the end of Hamilton street at Pennsylvania (Railroad) avenue because of the city's failure to use this land for park or recreational purposes.

City Clerk B. E. Myers was instructed to write to Hare, Brewer & Clark, realtors, asking that this deed be returned to the city, and the railroad is to be notified that the council plans to use the land for the purpose deeded.

Should the realty firm come to terms with the railroad for the former's contemplated program at the site, the city council expressed a willingness to deed the property to help out the development.

Approval was voted by the council to the plan of City Manager Rolison to utilize the present council chambers for the city engineering department and other city offices. This will make possible the removal of the engineering department from the present privately-owned wooden building on Broadway, saving the city a rental of $300 yearly, concentrating city offices for the benefit of the public, and removing the fire hazard.

The city manager said it would cost about $200 to build necessary partitions in the council chambers to form the various offices.

Hereafter, the city council will meet in the firehouse auditorium

City Clerk Myers brought up the question of which of the 1915 bonds should be paid first: those currently due, or those long overdue. He said that very little was coming in to meet payments on these bonds, and that the sums on hand range from nothing to 98 per cent of the amount due.

City Attorney Albert Mansfield was asked to determine if the council should retire the old bonds first, or if the current ones should be paid off and the balance of the moneys, if any, be applied to the old ones.

Councilman Paul McCarthy brought up the question if it were not wise for the city to invest some of the $222,000 it now has on hand in the local depositories so that a greater interest than presently paid by the banks could be secured.

Fellow councilmen replied that this matter had been thrashed out at a recently held meeting, and it was decided because of lack of stability of the bond market it was considered risky to invest the city moneys.

The city council left the matter of improving the Sequoia baseball diamond, as requested by F. H. Schottler, in the hands of Mayor Dusel's unemployment committee, with the suggestion that part of the funds being paid by the teachers to unemployment relief be used.

Out For Office

Wayne R. Millington, Redwood City attorney, candidate for the assembly.

Millington Asks Assembly Chair

Wayne R. Millington, attorney of Redwood City, today announced his candidacy for assemblyman for the new 29th district, San Mateo county.

"Having decided several years ago to make San Mateo county my home, and having established my family and my office in Redwood City, I have taken a very keen interest in a study of the possibilities for future growth and development," he said.

"The peninsula has every natural advantage that could be desired, having many miles of bayshore waterfront and contiguous land for manufacturing and commercial development, and back of that is 30 miles of the most beautiful location for homes in the world, and again still further back and reaching to the ocean shore is a paradise for summer homes, sports and recreation, within easy reach of the entire metropolitan area; this part of the county awaits development.

"In my work I have learned the tremendous part a legislative representative can take in developing his district and therefore, when reapportionment opened the way for San Mateo county to have both a senator and an assemblyman, I was convinced that I could use my experience and acquaintanceship for the benefit of the county.

"As your assemblyman I will use every bit of my intelligence and energy in helping San Mateo county attain to the fullest degree the position and prominence that nature so apparently intended it to occupy, keeping in mind at all times the fact that governmental costs must be kept within bounds and that for the next few years only the essentials must be attempted and every dollar spent must produce one hundred cents of value."

Mr. Millington is a member of the San Mateo County Bar Association, the Stanford University Alumni Association, the International Lions Club of Redwood City and several fraternal organizations.

DELINQUENCY IN CO. TAXES ONLY 7 PCT.

Redwood City Figure 10 Per Cent; 22 Pct. At Belmont

San Mateo county taxpayers paid up to within 7 per cent of the $2,801,915.68 assessed against them for 1931-32 taxes, County Auditor Edward M. Stack reported today.

The total delinquency was but $218,751.79, Stack said, which he termed "remarkably low" in comparison with other California counties.

One year ago the delinquency was 5 per cent, making this year's only 2 per cent higher. It was anticipated some months ago that the county delinquency would run 10 to 11 per cent, Stack said, so that today's showing proved a big surprise to him.

Redwood City's taxpayers paid up to 10 per cent of their county obligations; San Carlos recorded a 20 per cent delinquency; Menlo Park, 10 per cent; Hillsborough, 4 per cent; San Mateo, 7 per cent; Burlingame, 7 per cent.

South San Francisco and Lawndale had the lowest delinquency in the county, recording but 2 per cent, while Belmont was highest with 22 per cent.

RYAN MOVES INTO 5TH PLACE IN VOTE

Eight miscredited votes resulted in the switch of John C. Nowell, city manager of Hillsborough, from the fifth to the sixth place in the final freeholders' count, County Clerk Elmore B. Hinman's office announced today.

Mark E. Ryan, Redwood City fire chief, who got eight less votes when Nowell got eight too many, moved up into fifth place.

The final count on these two candidates was: fifth, Ryan, 8475; sixth, Nowell, 8647.

Sequoia Union High School Budget Reduction To Be Close To $25,000

Reduction in the salary budget of the Sequoia Union High School district of approximately 7½ per cent, providing for a proportional adjustment of the salaries of teachers, administrators and all other employes, was voted at a special meeting of the board of trustees Monday night, subject to a final adoption of the 1932-33 budget before July 1.

Monday's action of the trustees will result in a decrease in the proposed 1932-33 budget of approximately $13,000, and with other reductions planned in the maintenance of the school, it is expected that the total cut in the budget over last year will be close to $25,000.

This reduction is despite an anticipated 10 per cent increase in attendance during the next 12 months. To meet this expected normal growth of the school, the teachers have volunteered to take on extra class room loads and thus obviate the necessity of employing additional teachers.

In voting to make the reductions in salaries the school board took into consideration the present economic conditions, the fact that living costs have decreased during the past year and the demand for a general reduction in taxes throughout the district and county The action will apply to the coming fiscal year only with consideration of future financial matters to be determined by existing conditions.

Whereas the normal salary budget for 1932-33 would be $150,750. savings of $11,842 in administration, $1,123 in those of clerks, janitors, gardeners and other employes, will bring the total down to approximately $137,785. The proposed salary budget for 1931-32 was $147,396 and the actual budget was $145,656.

Further study of the entire budget will be made by the board at a later meeting, and wherever possible reductions will be made in an effort to keep down costs of the school district to a minimum without seriously interfering with the efficiency of the school.

When completed, the budget will be submitted to County Superintendent of Schools Pansy Jewett Abbott and, in accordance with the new act of the legislature, will be published, and a time set for a public hearing thereon.

Members of the board are James D. Hedge, president; Walter T. Kellogg, Merritt Hosmer, Charles H. Merrill and W. W. Hilton, secretary.

Sentence Imposed On Reckless Driver

ATHERTON, May 17.—A. F. Carroll, 21, laborer, today began serving a 30-day sentence in the county jail at Redwood City on a charge of reckless driving, and C. D. Cheeseman, 32, garage worker, began a 12-day sentence for intoxication, following their appearances last night before Police Judge Elmer Jennings.

THROWS HAT INTO RING

Judge George H. Buck

Judge Buck Will Seek Re-Election

Although completing half a century as a public servant of San Mateo county, Superior Judge George H. Buck is not ready to retire.

On Tuesday he made up his mind that he would be a candidate to succeed himself as judge of Department No. 1 of the superior court.

The veteran jurist said today he is preparing to formally announce his candidacy for re-election to the bench which he has occupied for 42 years. Prior to his elevation to the superior judgeship, he served as district attorney for eight years.

In seeking re-election in the August primaries, Judge Buck asks the people to return him for the eighth consecutive term of six years each, as he will complete the seventh term in January, 1933.

The veteran jurist is now 85. He is a Democrat by political affiliation, and is a member of the Druids, Improved Order of Redmen, and Independent Order of Odd Fellows.

Candidates who have announced themselves to contest for his seat are City Attorney John F. Davis of Burlingame; Attorney Charles M. Frey of 134 Somerset street, Redwood City, and John E. Manders, Redwood City attorney and Burlingame resident.

Judge Buck, who previously had indicated that he would not seek re-election, said today that the announcement of a year ago that he did not desire to run again was made because of ill health. Now, he said, he is again in perfect health and has no desire to relinquish the post.

Superior Judge Franklin Swart, of Department No. 2, will also be before the voters in August. No candidate has yet indicated that he will contest with Judge Swart or the judgeship.

FATE OF W. P. ON PENINSULA AWAITS PARLEY'S OUTCOME

Building of the proposed peninsula line of the Western Pacific is causing that railroad and the Great Northern considerable worry, it became known today with the arrival of Arthur Curtiss James, chairman of the board, and Pres. Charles Elsey, from the East.

James, reputed largest railroad stockholder in the world, is to confer on the disposition of the projected line from San Francisco down the peninsula to Redwood City and thence across the bay to Niles.

This project, ostensibly, is being held up because of delay in negotiations for use of the Southern Pacific's Dumbarton bridge. But, it was said, because of general economic conditions, the building of the line has become a grave problem to the Western Pacific.

As against putting a large sum of money into what might prove a "white elephant" until railroad conditions improve, the Western Pacific hesitates about asking the Interstate Commerce Commission for another extension of time in which to start the peninsula line.

Should the commission refuse, it was pointed out, the railroad would either have to delve into its treasury during a period of financial distress or charge off the expense of rights of way and surveys to profit and loss and abandon the project altogether.

ECONOMY HITS BAY HIGHWAY ILLUMINATION

Request For R. C. Port Fund Meets With Opposition

Need of stringent economy will bar the hopes of the peninsula to have the Bayshore highway made into a "white-way," C. H. Purcell, engineer of the State Department of Public Works, informed the board of San Mateo County Supervisors Monday.

Purcell pointed out in his letter that while 71 per cent of the Bayshore highway accidents were occuring at night, only 32 per cent of these were the result of impaired visibility. Half of the latter accidents, he said, were to pedestrians and bicycle riders because they did not carry lights.

Request was made to the board by Carl E. Wagner, chairman of the Citizens' Harbor Development Committee, and ex-Mayor Daniel R. Stafford of Redwood City, that county supervisors include a $2500 item in the next budget to conclude a $5000 payment the supervisors voted toward the Redwood Harbor project.

Consideration Promised

Supervisor T. L. Hickey, South San Francisco, protested, saying that after the board had voted the $5000, former Mayor Stafford said only $2500 would be needed and only that sum was then put into the 1931-32 budget. Since that time, however, a harbor survey was made which cost $2500, an expense which the committee had not contemplated.

Supervisor J. W. Poole, Redwood City, said the board would give the item every consideration when the next budget is drafted.

Almon E. Roth, controller of Stanford University, wrote to the board, approving the plan of creating a residence zone in the southern county area adjacent to the Stanford golf links. Roth said this step would help the university to keep its environs "wholesome," and would keep out "petty business ventures" which could easily locate elsewhere.

Zone Petition Out

In a letter from Clark B. Whitter of the Stanford School of Law, the board is informed that a petition is now being circulated asking that the area be zoned for residential purposes.

Roth says this move would be of similar benefit to the Menlo Junior College if it should move to the Cedro Cottage site as has been proposed.

Both communications were filed pending the zoning petition's filing.

Four workmen living just outside the Redwood City city limits signed a protest filed with the board in which they declare that they have not been able to secure work in the local employment office, and seem also cut off from employment in the San Mateo County Memorial Park. They said a single man has been given employment by the Redwood City office, although he has no dependents.

One of the signers of the protest is Clarence Auerswald, of North Fair Oaks, who recently learned that he is a grandnephew of President Von Hindenburg of Germany.

The letter was referred to the county-wide unemployment committee.

Residents of the Ravenswood School District requested that the board open Doyle street, between Euclid avenue and Woodland place, so that greater safety would be provided for the school children. The board laid the matter over to June 6 at Supervisor Poole's request.

Maps of Belle Haven city, blocks 18 to 35 inclusive, were approved by the board.

The Burlingame Chamber of Commerce protested any increase in local or federal taxes, saying the present rates were an "impossible burden."

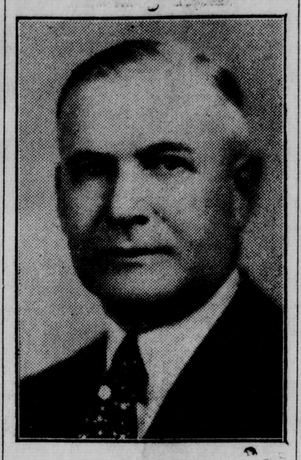
H. M. Charshaf, 209 Redwood avenue, Redwood City, and Lester A. Williams, 2115 Roosevelt avenue, Burlingame, filed applications to be appointed county traffic officers.

Uhl Would Abandon Mills Field Airport

Abandonment of the San Francisco municipal airport at Mills Field, San Bruno, was proposed today by Adolph Uhl, unsuccessful candidate for mayor of San Francisco, in hearings before the board of San Francisco supervisors.

Uhl said the saving would be $105,000 on the purchase price of the field, and $54,000 on maintenance.

CANDIDATE FOR SENATE



Harry L. Parkman

PARKMAN TELLS OF SENATE CANDIDACY

"Now that the presidential electors, and the freeholders, have been elected, the voters of San Mateo county will turn their thoughts to the primary election, when they will vote on a state senator and an assemblyman, in addition to several county officials," stated Harry L. Parkman today, in confirming his candidacy for election as state senator for the new Twenty-first District.

"Reapportionment, which was finally passed by the state legislature, after it had been adopted and held up by referendum and then voted by the people, gives San Mateo county a senator by itself, as well as an assemblyman," says Parkman.

"Heretofore we have shared our senator with Santa Cruz and San Benito counties, but now we will have one of our own. The law provides that no county shall have more than one senator, but that, as there are 57 counties and only 40 senators, three of the smaller counties may be grouped together.

"This provision of the law gives one state senator to Los Angeles county with a population of approximately 2,208,492 and one senator to groups of three small mountain counties, for example, El Dorado, Amador and Alpine, with a joint population of 17,060.

San Francisco, Alameda, San Diego counties, which, with Los Angeles county, have 3,527,428 population, or three-fifths of the total population of the state, have only four senators, while the agricultural counties have 36 senators.

"What my election as senator would mean to our county is best illustrated by the statement that there will be, in the next senate, 12 members who were senators when I served my first session in 1927. In addition to this, there will be 16 who have since been elected and who served with me during 1929 and 1931 sessions.

"Seven of these senators served in the assembly with me, and were my intimate friends, and were promoted to the senate by their constituents. From the political gossip I hear among the 'boys,' there will be nine more senators elected in new districts who are men with whom I have worked, either in senate or assembly.

"It takes time and testing to establish such connections in the state legislature, and they are invaluable in putting through bills of interest and benefit to the district you represent."

DRIVER NABBED AS INTOXICATED AFTER ACCIDENT

Accused of drunken driving after crashing into a Pacific Greyhound bus, Harry Hicks, 47, of 535 High street, Palo Alto, was held in the county jail by Redwood City police Wednesday.

Hicks' car struck the rear of the bus at Five Points while both were proceeding northward. The bus was driven by S. A. Ossmas, 110 Russia avenue, San Francisco. The accused motorist was taken before a Redwood City physicain, who pronounced him intoxicated.

Officer S. E. Douglass of the Redwood City Police Department investigated the accident. Police Judge Edward McAuliffe set bail at $500 ash.

MILLIONS FOR FUN

WASHINGTON. — Recreation in the United States calls for an expenditure of more than $33,500,000 annually, according to a report of the federal office of education. A survey of 573 cities last year showed 34,114,747 persons as being participants at indoor centers and recreation buildings.

FREEHOLDERS ORGANIZE; HOWELL TO BE CHAIRMAN

Meeting for the first time since their election May 3, the 15 freeholders who will prepare a new form of government for San Mateo county chose a chairman and other officers in the supervisors' room of the courthouse at Redwood City Monday night.

James B. Howell, Atherton councilman, who was high man in the county voting, was selected as chairman. William H. Eddy, banker, of Burlingame, was named vice-chairman. T. Louis Chess, general passenger agent of the Southern Pacific Company and president of the county planning commission, will be secretary.

Sam Winklebleck, publisher of The Tribune, was made chairman of the important legislative committee, the other members of which are Eddy, J. E. McCurdy, San Mateo, and Mrs. Mona Christensen, North Palo Alto.

Mark E. Ryan, Redwood City fire chief, will be chairman of the personnel committee. His committeemen are John S. Nowell, city manager of Hillsborough, and Charles J. Eldridge, auditor of the Pacific division of the Western Union Telegraph Company, of Burlingame.

Eddy was chosen to be chairman of the finance committee. His assistants will be Carl W. Elfving, San Mateo, and Alvin S. Hatch, Half Moon Bay.

The public welfare committee will be headed by Henry C. Hall, of Daly City, who is superintendent of schools in the San Bruno district. His colleagues are McCurdy, Christensen and Dr. W. H. Murphy, San Mateo.

Heading the committee on public works is Nowell, assisted by David R. Campbell of Daly City and Edward Brady of San Mateo.

The freeholders voted to admit the press to all its sessions, which will be held at 7:45 o'clock each Wednesday night in the supervisors' room at the courthouse. However, the next meeting will be at the call of the chairman. At that time it is likely that either Prof. E. A. Cottrell, head of the department of political science at Stanford University, or Prof. Samuel C. May, expert from the University of California.

The charter must be completed and turned over to the county clerk by September 9.

SALADA BEACH BRIBE CHARGE MADE BY VOTER

Director Of Utility District Accused In Contest Suit

George Pappas, who was elected a director of the Salada Beach Public Utility District at the May 3 election, today was charged with offering bribes and rewards to win the election in a contest filed by William P. Regan, a voter.

Regan alleges that Pappas was not eligible to hold office; was not a resident of the district; that illegal votes were cast; that Pappas offered bribes and rewards to win votes; that he offered jobs and employment, and coerced those who had jobs to vote for him for fear of losing their employment.

Pappas defeated C. H. Eakin for the post of director at large.

The contest of Pappas' election was filed by Attorney Durwood Herndon on Regan's behalf.

'Y' ROUND-UP WILL BE HELD SATURDAY

Plans are complete for the annual Pioneer roundup of the Young Men's Christian Association to be held in San Mateo May 21. More than 300 boys will gather for the Pioneer parade, barbecue and wild west show at San Mateo city park. Twenty-four entries for the parade have been received. The parade is under the direction of B. L. Werder, T. E. Drisko and Roderick McLellan.

A western barbecue will be served to the boys at noon under the direction of S. D. Merk, John Titsworth, J. O. Klein and R. N. Faulkner.

The entertainment program is under the direction of John Gill of Redwood City. The program includes a talk on pioneer California history by Roy W. Cloud, a demonstration of expert archery, lariat throwing, band music and a pageant of pioneers and Indians.

Members of the committee managing the event are George J. Davis, Rev. R. B. Cherington, C. M. Doxsee, Chester Kinsman, John R. Titsworth, William H. Eddy, Frank Boring, Roderick McLellan, Elmer Roberts, Andrew Spinas, Frederick J. Smith, Julius O. Klein, George Burns, the Rev. Adam Bird, James S. James, Roy A. Hohberger, Harry Mahony, George White, William Brown, Richard Cannon, Harry Gee, John Gill, Ira H. Potter, Hugh V. Swearingen, T. E. Drisko, John E. Cowgill, Bert L. Werder, A. M. Chesley and R. W. Simcock.

TRUSTEES REDUCE TEACHERS' WAGES

Saving of $9000 as the result of a cut in the salary budget of the Redwood City elementary school district was effected Wednesday at a special meeting of the board of trustees, and estimated reductions of approximately $12,000 in the remainder of the general budget will bring the total saving for 1932-33 to approximately $21,000, it was announced today by Superintendent John Gill.

Teachers' salaries of $1500 yearly or less will not be affected by the cut, which provides for a reduction of 20 per cent of the surplus over $1500 on the salaries of teachers receiving more than that amount. Administrative and supervisorial salaries were adjusted on a somewhat similar basis.

Figures on the general budget for 1932-33 are not yet available because they are based on the average daily attendance for the school year.

Little Opposition Seen To Date As Judge Swart Says He Will Run

While a "free-for-all" race is in prospect for the bench held by Superior Judge George H. Buck if candidates now in the field and those who have signified their intention of running do so, little opposition loomed for Superior Judge Franklin Swart, who will seek return as judge of Department No. 2.

Judge Swart, who last September was appointed by Governor Rolph to fill the newly-created second court bench in this county, today announced definitely that he would be a candidate for re-election in the August primaries.

The jurist said that he has been given assurance by the various judgeships candidates that they will not swing over and make a contest for the second department bench now that Judge Buck says he will seek re-election. Each of the candidates has called upon Judge Swart to assure him that they will make the race for Judge Buck's bench or none.

Concerning this, Judge Swart said: "It is with considerable satisfaction that I have been assured that there will be no opposition. This is more than mere personal consideration, for political activities do to some degree interfere with highest efficiency."

In announcing his candidacy, the jurist said:

"I have avoided political considerations to the last, but statutory provisions and recent developments seem to demand a declaration of intention at this time.

"Naturally I shall seek election to Department No. 2 of the superior court, where I have served since my appointment last September. At that time I accepted the appointment with some degree of uncertainty. It meant the sacrifice of a law practice built up during the best years of my life, and with it the sacrifice of an income superior to the income of a judge.

"The greater question, however, was whether I would be happy and a success on the bench. I now know, at least, that I am most happy in the service. We started with a congested calendar and for some months were trying cases filed two or three years ago. By June 30 we will have cleared the calendar and will be trying cases filed within 30 to 60 days of the date of trial."

❖ Woodside ❖

The Bear Gulch Water Company is preparing for an improvement of its service in Woodside by substituting a 12-inch main for its present six-inch line along the highway. The iron pipe has been delivered along the line and the laying of the new main will begin next week.

Mr. and Mrs. L. P. Davis, formerly of Woodside, but now a resident in Hayward, were visiting their friends here on Wednesday.

The Woodside Girl Scouts who attended the convention in San Francisco last Saturday were especially privileged in being taken through the rooms of the Academy of Sciences where the annimal groups were being prepared for exhibition. They marveled at the extreme pains and care being taken to reproduce in exact detail the habitat of the animals that were to be grouped in their native semblance.

Miss Elsa Mueller, who won the San Francisco regional bowling championship, will leave on Tuesday for Los Angeles to compete in the state finals.

Miss Dorothy Davis and Miss May Cikuth, student teachers at the local school, spent the week-end in San Jose.

Mr. and Mrs. James V. Neuman and family are spending the week at their ranch on the west side of the mountains.

Mrs. J. D. Gish, Mrs. F. H. Mighall and Mrs. G. H. Shine motored to Capitola on Wednesday for a visit with friends there.

Europe may boast of her nightingales and the Southern states of their mocking birds, but anyone who has listened in the early morning to the full throated music of the California oriole poured lavishly forth from the highest limb of the tallest tree must feel like doing some boasting on his own account.

Following an annual custom, the eighth grade of the Woodside School will be guests on Monday next of the Parent-Teacher Association in a personally conducted visit to Stanford University where the pupils will be shown the museum, the chapel, the library and other points of interest and will be entertained at lucheon at the Stanford Union.

Many of the residents of Woodside being prevented by the traffic jam from getting a satisfactory view of the Akron, solaced themselves by going to the hilltops with field glasses and watching the big ship during her trips to and from San Francisco.

Miss Margaret Stewart, a graduate first of the Woodside Grammar School, then of Sequoia High, took her degree at the University of California last week. She is the daughter of Thomas Stewart, superintendent of the Jackling property here.

W. R. Foley of New York, who purchased the Houser property here last fall, is building a new home for himself on the Mountain Home road.

The Woodside baseball team pulled out of a hole in the last inning on Sunday last to beat the Hayward team by a score of 9 to 8.

Mr. and Mrs. Edward Wobber returned to their home here on Wednesday after spending a week with Mr. and Mrs. Albert O. Selby in Yosemite Valley.

Mr. and Mrs. William P. Roth and family are now established at their home in Woodside for the summer.

John Duzanica, who had planned a trip to his cabin at Fallen Leaf lake for this week, was obliged to postpone his visit because recent snow storms have again blocked the road to the lake.

DIPLOMAS DUE FIVE FROM R. C. AT JR. COLLEGE

Six Redwood City students will receive diplomas from San Mateo Junior College at commencement execises to be held this morning at 10:30 in the Woodland open air theatre in Hillsborough.

Miriam K. Kurle, Mae Madden, Waldo Munday, Eudele Murphy, Louise Bendeich and Margaret M. Sparks, all graduates of Sequoia Union High School, are among the 120 to be graduated from the junior college.

Dr. Percy A. Martin, instructor in South American history at Stanford University, will speak on "The College Graduate and the Changing World Order."

Faculty members will march in a procession in cap and gown, as will the students.

The class gift will be presented by Al Stevens, president, and acceptance will be made by James Hickey, student body president.

LESTER HERRICK WEDS TEACHER IN RENO CEREMONY

His eight-year fight for a divorce ended, Lester Herrick, wealthy San Francisco public accountant and former Atherton resident, today is honeymooning with his bride of a day, the former Miss Lenamae Williams, drama teacher at the Girls' High School, San Francisco, whom he married in Reno yesterday.

Herrick a month ago divorced his first wife, Mrs. Eleanor Miller Herrick, socially well known in Atherton, obtaining the decree in Reno. Mrs. Herrick appealed. District Judge Thomas Moran denied her a retrial, dispatches said.

The new Mrs. Herrick is a graduate of the University of Nebraska. She first met Herrick eight years ago when she came to San Francisco from the East.

Both San Francisco and San Mateo county courts denied Herrick a divorce before he "took the cure" at Reno.

Lynn King, Drake University football and baseball star, will be with the Des Moines club of the Western League this year.

Marion Silva Buys Main Street Market

Announcement was made today that Marion Silva of Atherton has purchased the Peoples' Cash Market at 846 Main street and will operate the business with the assistance of J. W. Wanamaker, who was formerly connected with the market.

Mr. Silva has been in the meat business for the past 26 years, both in wholesale and retail trade, and until recently operated a large market in San Francisco. He has been a resident of Atherton for the past four years.

★ MORE THAN 210,000 CALIFORNIA WOMEN SAY....

Electric Cooking is Economical... Fast... Cool

EVERY year thousands of women decide that electric ranges meet every requirement of better, easier cookery. They are proud of their kitchens and have good reason to be, for the modern electric ranges are decorative, practical and economical.

And now to their outstandingly modern superiorities, electric ranges offer speed in cooking.

Set a control or snap a switch and quickly you have radiant, glowing heat. Intense heat and clean—for electricity produces nature's purest form of heat. It is the ideal heat to be associated with food.

These speedy modern electric ranges will cook an entire meal—meat, vegetables and even dessert, though you may be out of the house all day. A clock turns on the current while a thermostat maintains an exact temperature for exact periods. An electric range is truly the perfect servant — one that never forgets.

You can afford to cook this better way. In thousands of homes the average cost of cooking with electricity is but 1 cent a meal per person. And the cost of a modern electric range is no more than that of any other good range.

Before you buy any range, learn all about these modern speedy, electric ranges. And then consider our Special Offer which includes easy terms.

CHERRY DIXON *asked Dan Phillips to marry her. She was 19, beautiful and rich. Dan hadn't a cent beyond his weekly salary. Cherry knew he wouldn't ask her to give up the luxuries to which she was accustomed for the little he could offer her. So Cherry took matters into her own hands. She proposed to Dan—and became a "Leap Year Bride." That's the title of the exciting new serial by Laura Lou Brookman. Watch for it*

"Soul and Body" will be the subject of the Lesson-Sermon Sunday, May 22, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The citations which comprise the Lesson-Sermon will include the following from the Bible: "And great multitudes came unto him, having with them those that were lame, blind, dumb, maimed, and many others, and cast them down at Jesus' feet; and he healed them: Insomuch that the multitude wondered, when they saw the dumb to speak, the maimed to be whole, the lame to walk, and the blind to see: and they glorified the God of Israel" (Matt. 15:30,31).

The Lesson-Sermon also will include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation" (p. 210).

Lions' Club Hears Execution Described

Giving a detailed eye-witness description of a recent execution at San Quentin prison, Frank Griffin, director of boys' physical education at Sequoia high school, was the speaker at the regular meeting of the Redwood City Lions Club in the Emerald Lake Golf Club Tuesday. The complete text of his talk appeared in last night's edition of the Tribune in a signed story.

Roy Hohberger provided several musical selections.

Dr. August J. Fromm was chairman of the meeting and arranged the program.

Guests of the club were William S. Smith, D. Hobby and G. C. Gooteyguntz.

"THE GREEN PASTURES" SCORES SUCCESS IN S. F.

The senational success scored by the stage spectacle, "The Green Pastures," now playing a limited engagement at the Columbia Theatre, San Francisco, has made the latter the Mecca for amusement lovers from near and far. San Francisco now enjoys the same position as New York and Chicago, where the 1930 Pulitzer Prize play enjoyed a run of two years, during which multitudes from scores of surrounding cities poured in to witness the unique and strangely interesting "Divine Comedy in Blackface."

Parties, made up of drama and music lovers, and in many instances people who ordinarily manifest little or no interest in the theatre, formed in communities throughout Northern California and Nevada, are so numerous that a special box office has been opened for the accommodation of out-of-town patronage. Schools, churches, Sunday schools, cultural clubs and all manner of organizations form the nucleus of such groups.

The aggregation of more than a hundred Negro actors and singers comprising the original cast is intact as of the premiere performance in New York more than 26 months ago. Appreciation of this has been reflected in the laudatory comments lavished upon the production by the press. The fact that California has been favored by an engagement prior to the big hit show visiting the principal cities of the East, other than New York, and that local amusement lovers are privileged to enjoy the performances of those who created the respective roles has contributed in no small measure to the success of the San Francisco engagement.

France expects to spend more than $42,000,000 in the coming year on a national highway works program.

$5000 AWARDED TO VICTIMS OF AUTO ACCIDENT

Mrs. Seraph M. Osbern, 1169 Cleveland street, and her husband, Joel, today had won $5000 damages in the court of Superior Judge Franklin Swart for injuries she suffered in an automobile accident here January 30, 1931.

Judge Swart awarded the damages against William J. Estelita and his wife, Amy, and their son, William Jr., driver of the car which inflicted the injuries on Mrs. Osbern. The accident occurred at Vera avenue and Cleveland street when the Estelita car struck the woman.

The case was heard without a jury.

Menlo Park

Proceeds from the garden fete given Saturday at the Menlo Park home of Mrs. Carroll A. Devol will go to the Anna Clark Hanna Scholarship to the National School of Social Service in Washington, D. C. The affair was well attended, both in the afternoon and evening. Music was provided at night by Miss Gladys Cleland and her orchestra. Special dance numbers were given by Miss Minnie Malcolm's pupils.

Mrs. Stewart S. Lowery will give an informal luncheon today at her home on Oak Grove avenue.

Mr. and Mrs. Roger Lapham of Menlo Park are announcing the engagement of their daughter, Miss Edna Lapham, to Henry John Van Oosten, son of the late H. J. E. Van Oosten and Mrs. Van Oosten of Amsterdam, the Netherlands. The wedding is expected to take place in August. After a European honeymoon, the couple will reside in Boston, where Mr. Van Oosten is to become consul for the Dutch Government.

Miss Lapham is a sister of Miss Carol Lapham, who is to be married June 4 to Ernst Ophuls, and of Lewis and Roger Lapham. Lewis Lapham has also recently announced his engagement. His fiancee, Miss Jane Aldyth Foster of Montclair, N. J., is now in Santa Monica for the wedding of Miss Glenn Helen Winnett and Kenneth Boucock of New York, at which she is to be a bridesmaid. Afterward, she is to come to Menlo Park for a visit at the Lapham home and to attend the Lapham-Ophuls marriage next month.

Menlo Park Post, No. 443, American Legion, will give a card party tonight, May 20, at 8 o'clock in the Central School. Score cards will be sold for 25 cents.

M. J. Loughlin was called to Los Angeles early this week by the illness of his sister, Mrs. I. H. Foster.

Approximately $20 were realized by the Menlo Park Parent-Teacher Association from the benefit play, "Stung," given last Friday night in the Central School by a group of amateur Thespians of the community under the direction of Mrs. Floyd C. Beach. Music was provided before the play and between acts by the orchestra of the Menlo Park Presbyterian Church, led by the Rev. W. L. Bone.

Menlo Parlor N.D.G.W. will give a benefit card party on Monday evening, May 23, in Duff and Doyle hall. Admission 25c. Game starts at 8:30.

Mrs. C. L. Maloney and Mrs. Catherine Derry are in Visalia attending the state conference of Catholic Daughters. Grand Regent Esther Judge is also a delegate.

Funeral services for the late Dr. Alfred E. Blake, whose sudden death early Monday morning of this week was a complete shock to all local residents, were held Wednesday morning from Gray's chapel, San Francisco, under the auspices of California Lodge No. 1, Free and Accepted Order of Masons.

Dr. Blake was a native of Menlo Park. He was the son of the late Charles Edward Blake, California pioneer. His mother was a niece of Gen. George C. Johnson, prominent figure in early western history. The elder Mr. Blake came west via the Isthmus of Panama in 1849 and while en route assisted in organizing the Masonic Board of Relief. The late Dr. Blake, like his father, was a member of the Masonic order.

Dr. Blake was a graduate of Washington University and the University of California, and held degrees both as a doctor of medicine and a doctor of dental surgery. It was the dentistry profession, however, which he had followed in San Francisco for 43 years.

Dr. Blake was the first mayor of Menlo and a member of the council there from the inception of the city under its incorporated status in 1927 until his retirement from the board last April.

The Blake home at 845 Roble avenue, Menlo Park, is part of the land owned by the family for more than half a century. The site of the Menlo Park Presbyterian Church, was given by Robert Johnson, a cousin of Dr. Blake, and St. Patrick's Seminary was endowed by Johnson's wife, Mrs. Kate Johnson, a portrait of whom now hangs in the vestibule of the seminary.

Dr. Blake is survived by his widow, Mrs. Elizabeth Blake; three children, a sister and two brothers. The children are Dr. Reuben L. Blake of San Francisco; Mrs. Helen Blake Vaughn, Nicaragua, and Miss Sara Blake, San Francisco. His sister is Mrs. May MacDermott, San Francisco, and his brothers, Sherman T. Blake and Louis Blake, both of San Francisco.

LOUIS A. HANSEN DEAD AT BELMONT; RITES THURSDAY

Louis Andrew Hansen, 68, father of Chief of Police Irving Hansen of Belmont, passed away Tuesday noon at the Hansen home on Ralston avenue. He had resided in Belmont for the past 43 years.

Mr. Hansen was a native of Denmark, and retired. His widow, Mrs. Mary Hansen, survives, as do the following: Chief Hansen and Leonard Hansen, of San Mateo, sons; George Hansen, of Oakland, a brother; and another brother residing in Denmark.

PICKING ON LEE

FORT WORTH—A. J. Lee is beginning to believe he's an easy mark for thieves. For the 19th time he has been victimized, the last time being the theft of his second car. His grocery has been robbed 12 times, and his home five times. His first automobile was stolen some time ago.

Four new members of the coaching staff at Louisiana State University, including "Biff" Jones, have been banqueted at several cities in the state.

BELMONT COUNCIL DEBATES PAYMENT OF HIGHWAY SIGN

BELMONT, May 19.—City Councilman C. J. Messner, at a council meeting last evening, declared that affairs of the city should not be settled in "star-chambers" but should be laid on the table at the meeting for general discussion.

The councilman felt that a donation of $150 given to the city by Father James McHugh, secretary of the Suburban Water Company, should have been turned over to the school trustees for the second tennis court fund, and not for Belmont's Neon sign which has been placed on the Bayshore highway at Ralston boulevard.

Councilman Louis C. Vannier took exception to the issue and was of the opinion that a sign "letting people know where Belmont was located" was of far greater importance to the city than a second tennis court.

The present tennis court at the Belmont school was constructed from money left over from the last bond issue. The school law prevents the trustees from using their school funds for the construction of another court, which would make it necessary to raise another bond, Vannier said.

The point that the councilman brought out was that Father McHugh, secretary of the defunct Suburban Water Company, had the $150 left in the treasury, and that in turning it over he had stated that he did not care for what purpose the money was used. Mayor Chris L. Jordan maintained that Father McHugh stated the money should be used toward the purchase of the sign. Several individual subscribers of Belmont and the Bayshore Kennel Club donated $250, which money made possible the purchase of the sign.

On motion of Councilman Vannier, Councilmen Lussier and Jordan voted to put the money donated to the city in the sign fund. Councilman J. P. Halloran was absent. Messner voted "no." Vannier also moved that the price of the sign be incorporated in the minutes. Up until this discussion nothing had appeared in the minutes as to the sign transaction, stated Messner. He had looked up the minutes of City Clerk R. G. Kelly.

The Neon signs on El Camino Real and on the Bayshore highway cost $684, according to City Treasurer J. W. Herringer. The sign on El Camino Real is costing the city of Belmont $19 per month for its rental. The cost of rental will run over a period of three years. The signs were purchased from an electrical concern in San Francisco.

The question of raising the city license tax of the Bayshore Kennel Club for operation of the dog track in Belmont was also brought up by Councilman Messner. He believed that matters of such nature should be brought to the meeting and laid on the table for open discussion. He felt he was entitled to a voice in such matters. On motion of Messner the tax of the Bayshore Kennel Club was raised from $25 per day to $40 per day, for the present season.

The board discussed the purchase of a new car for the use of the police department. The present car has seen service for 30,000 miles, stated the city treasurer. The matter was turned over to the finance committee for solution.

The dangerous condition of South road and Middle road was brought before the board by Vannier. City Clerk Kelly was authorized to send letters to the property owners on the two streets asking them to appear before the city council to discuss the situation.

A resident of Belle Monti appeared before the board and asked that some action be taken towards the removal of brush and other debris which had accumulated on the Wells property. The city clerk was ordered to take the matter up with Fire Chief William Neilsen.

Dr. G. M. Gambitz of Belle Monti told the council that he resides on Belle Monti avenue, where there are six houses that are without street lights, while on Miller avenue there were no houses and the street was well lighted. City Engineer W. W Hendricks said that he had taken up the matter with the Pacific Gas and Electric Company, which would act immediately.

The council granted a permit to G. M. Bellati of Belmont for the operation of a dog kennel. Bellati is to kennel 35 dogs.

The kennels of W. H. McHugh were condemned by Health Officer S. M. St. John. McHugh was granted additional time to remove his kennels from the Old County road, on account of illness.

BAY HIGHWAY LINK TO E.P.A. TO OPEN SOON

Concrete Is Now Laid To Oregon Avenue

The Bayshore highway link from Redwood City to University avenue, East Palo Alto, will probably be opened to traffic on or shortly before June 1.

This was the expectation today of the state highway department office at San Francisco following the completion of the laying of the second concrete strip on the Bayshore highway as far as Oregon avenue, Palo Alto.

University avenue in East Palo Alto, which is planned to be widened fror its connection with the Bayshore highway to the Palo to city limits by San Mateo county, however, will be used as the link with Palo Alto.

Approximately 10 days will be required to "cure" the freshly laid concrete in the second strip, work must be done on the laying of shoulders on the Bayshore. The entire job will probably be completed by the end of June, according to the highway department office, but the Redwood City-Palo Alto link will be opened to traffic as soon as is practicable.

MERGING OF CITIES IN SAN MATEO CO. TO BE SUGGESTED

Merging of the police, fire and governing bodies of neighboring cities to produce a Greater Redwood City in Southern San Mateo county and a Greater San Mateo-Burlingame in the central area will be proposed by Councilman Charles G. Lambert of Redwood City at the dinner meeting Friday night of city council representatives in Burlingame.

The dinner meeting has been called by Mayor C. A. Buck of Burlingame. Representatives of cities as far south as San Jose and far north as Daly City will be present. Problems of highways, water, police and fire protection, harbor development, which are common to the entire peninsula, will be discussed.

Lambert told his colleagues on the city council Monday night that there was little use in these meetings unless something constructive came of them. He said he would make the bold suggestion of merging the various municipal efforts into one so that the "economy" of which so much is spoken, can be achieved.

"It is better to propose something and get sat on than not to propose anything and merely assent to everything that's said," Lambert declared.

Asked if the plan would produce economies, City Manager Ernest Rolison said there was no question about it.

Councilman Paul McCarthy said he believed the merging of the efforts of nearby communities would be brought about eventually without question.

MAGIC SLEEP SMOKE

BOSTON — Lee Wee, Chinese laundryman, will be suspicious hereafter of all persons who enter his shop smoking. Two men visited him recently and, while they talked to him, blew dense clouds of smoke in his face. Presently Lee fell into a peaceful sleep. When he awoke the two visitors had left—with $55 he had in his cash drawer.

Daisies are not common in all parts of the world.

HERRSCHER BACK TO FACE CHARGE

Edmund E. Herrscher, socially prominent Hillsborough attorney and reported fiance of Mrs. Fannie May Howard, Hillsborough society matron, who Tuesday got a final decree of divorce from Superior Judge George H. Buck, has returned to San Francisco from Europe to answer an indictment that he swindled an acquaintance of $5000.

The indictment charging grand theft was returned March 21, when James W. Perry, retired Eastern capitalist and former friend of Herrscher, testified Herrscher had swindled him out of about $5000 in a deal involving the purchase of some furniture.

Mrs. Howard is now believed to be in Chicago, but may be in the bay region. The affidavit on which she obtained her final decree of divorce was sworn to in Cook County, Illinois.

Herrscher, his mother, and Mrs. Howard went to Europe last winter and announced they would return in time for her to secure her final decree. She did not, however, appear in Judge Buck's chambers yesterday when the decree was obtained by Attorney Theodore J. Roche.

Rum Boat Captured Near Half Moon Bay

Capable of doing 40 miles an hour, the speedy rum boat "It" beach captured Wednesday on the beach at Half Moon Bay.

Its operators escaped when pursued by the Coast Guard cutter 256, but 200 cases of choice liquors were aboard. The launch was pulled from the beach and towed to the Coast Guard base in San Francisco, where the liquor cargo was turned over to customs officers.

Customs records show the boat is registered to H. W. Anderson, 60 Sanchez street.

Increased BUYING POWER of the dollar justifies the return to normal spending

Thoughtful people all over California are returning to normal buying habits—and they are getting some of the greatest values of their lives. Building materials, automobiles, clothing and high grade merchandise of every kind are being sold at temptingly low prices. Now is the time to take full advantage of the increased purchasing power of the dollar, stimulate every line of business, and return the unemployed to their jobs. Even reduced incomes are balanced by corresponding reductions in the prices of nearly all commodities. There is no excuse for not satisfying one's normal needs. Prosperity depends largely upon both *banked* and expended money. Until idle money circulates freely, unemployment will continue to be with us. The return of good times is strictly up to each one of us. Think it over.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at all stores. © 1931, C. M. Co.
